

McMURTRIE, Neil Junor [UNTD YORK '43] (1923 - 2011) Age: 87

NEIL JUNOR McMURTRIE (P.Eng.) Peacefully on Sunday, January 23, 2011 just shy of 88 years. Predeceased by sister Elizabeth and brother Gilbert. He will be sadly missed by his wife Marguerite (nee Shaw), son Alan (wife Lynda and grandsons Jeffrey and David), and daughter Susan (partner Jeff). Enjoyed a challenging and rewarding 35 year career with Ontario Hydro, retiring in 1982. Live life to the fullest; you never know when it will be cut short. Memorial Service next Sunday, February 6th at the Bobcaygeon Baptist Church, 25 King St. West (one block west of Bolton St.), Bobcaygeon, Ontario. Visitation at 10 a.m. Service at 11 a.m., reception to follow.

He did have at least 1 full UNTD summer, in 1944, most of it spent at sea. At Ontario Hydro he was the Director, Property Division and was directly involved in acquiring right-of-ways under the Expropriations Act, an often sensitive issue particularly as applied to farmland.
