Bill had 3 UNT D summers; '51, '52, '53.

He graduated with a BA from UWO in the Spring of 1953 and was Commissioned as a SLT(S), sen. 1 Jul '53, O-3621, attached to PREVOST and was on the Ret'd List shortly afterwards.

Have not been able to find his middle name which normally wouldn't present a major problem, except in this case there was a William Joseph Bailey, deceased in London, ON at about the same time and of the same age range.

The clincher was his 1953 UWO Grad pic which even after 61 years bears a striking resemblance to his Obit photo.

In his Obit is mentioned his brother Robert (Bob). By comparing White Twist home addresses, it becomes clear that Bob Bailey was Bill's kid brother and was UNT D PREVOST 1954.
