UNTDA 75th Anniversary Reunion - St. John's, NL September 9 (Sunday) to 12 (Wednesday), 2018

Brooke Campbell and Bob Jenkins along with McCarthy's Party have designed a customized 9-Day Tour of Eastern Newfoundland, running from September 13 to 21, 2018. The Itinerary and Pricing for that Tour was attached to the October 2017 UNTDA Newsletter.

Since then, there has been a subtle change in the Itinerary, as well as new information regarding partial pre-payment and cut-off dates for registration.

The updated information on that Tour can be viewed/downloaded by clicking on the link below:

There have also been expressions of interest for Newfoundland Tours, other than the Customized Eastern one, in particular for Western Newfoundland Tours. McCarthy's Party have a variety of off-the-shelf Tours, all of which are well detailed on their website at: [McCarthy's Party](#).
