

UNTDA GM 2018

Gentlemen,

While the UNTDA is an unincorporated, unregistered association of former UNTDs and those from similar programs like the ROUPT that followed us, in typical UNTiDy fashion we PERIODICALLY, hold a general meeting in conjunction with an event. The last GM was in 2014 (draft minutes attached) and we will hold one Wednesday 12 September at 1400 at CFS St. John's in accordance with the published program at [www.unttd.org](http://www.unttd.org)

A draft agenda is attached along with the Board approved position paper on the current and future status of the UNTDA. The financial figures in the paper will be finalized by the Treasurer in early September. You will find our Vision and Mission statements on the home page of [www.unttd.org](http://www.unttd.org)

I look forward to renewing old friendships and making new ones during our time on the Rock as we enjoy the hard work put into the program by Bob Jenkins and his Local Organizing Committee.

Yours Aye,

Roger Elmes  
President, UNTDA of Canada
