

UNTDA - National Event - October 2, 2019

Some of you will remember the excellent [June 2015 UNTD Reception and Supper](#) organized by Greg McKenzie (Tecumseh 1967) at the Ranchmen's Club in Calgary held in conjunction with that year's Naval Association of Canada (NAC) Conference.

Similar co-events have taken place in previous and subsequent years, right across the country.

On 2 October, this year, the UNTD is doing something similar under the leadership of Larry Fournier (Discovery 58). We will have an extended reception with food stations to create your own supper while getting together with UNTDs, ROUTPs and former members of all the other NavRes Officer training programs. The excellent waterfront venue overlooking Vancouver's English Bay and the majestic north shore mountains will remind us of our common ties to the sea and the camaraderie we shared while searching for fog lifters, red oil for the port running light or the mythical golden rivet; or engaged in the more serious tasks of navigating and conning the ships in which we served.

The **\$50** price includes a no-host bar and a dazzling and a varied array of food to choose from.
