

Subject: Celebrate 100 years of the Royal Canadian Navy & HMCS Chippawa with the Manitoba Moose! The Manitoba Moose Military Appreciation game on Saturday, February 25 at 2 PM will celebrate the 100th Anniversary of HMCS Chippawa and the Canadian Naval Centennial! Along with a special pre-game ceremony, the Moose will be wearing special navy-themed jerseys during the game featuring the HMCS Chippawa and Naval Centennial crests on the shoulders.

This Winnipeg event is already an item identified on the UNTDA Centennial Events activities by NRD page on the UNTDA website . . . but a real nice example of an external organization recognition.
